National Conference on SRI PANCHARATRA AGAMA – II Bengaluru

SRI PANCHARATHRA AGAMA SAMRAKSHANA SABHA, BENGALURU.

SRI PANCHARATRA AGAMA is the only Sastra delivered in Sri Vaikuntam by Lord Sriman Narayana.

It's main aim is to remove the illusion (darkness) and distribute the luminance (light) to the people. In this greatest Sastra several other Sastras were used.

āgamam̐ bharatam̐ śilpam̐ vaidyam̐ jyotiṣameva ca |
pañcaśāstrāṇi samyogāt pañcarātram̐ pracasyate ||

They are Agama Sastra, Bharata Sastra, Shilpa Sastra, Vaidhya Sastra and Jyotisha Sastra. Even many other Sastras convey the importance of this Bagavath Sastra (SriPancharatra Agama).

In this National conference significance of Bagavath Sastra in various other Sastras will be discussed and posters will be displayed by various delegates.

There will also be a question and answer session during which audience can clarify their doubts regarding Sri Pancharatra Agama.

Mission

Mission of this conference is to:

1. To express that Sri Pancharatra Agama is not an agama which only tells about temple worship, more than that its main aim is to up-grade all people for their betterment.
2. To educate the next generation that during many centuries, numerous archakas and acharyas fought and sacrificed their wealth and lives to safeguard this Agama.
3. For any kind of doubts arising regarding temple construction or renovation or re-consecration in Indian temples, this Agama can be approached for the clarification.
4. This is the only Agama that the majority of the Acharyas has used in their works.

All are invited to attend the conference !
Get the blessings of Agamaaryan !!
